Cybele Chandelier

By Currey & Company

Description

The graceful Cybele Chandelier is an artistic statement made of natural materials styled in a sophisticated way that transcends the humbleness of each of its building block. Natural shells are draped in the time-honored empire shape that has continued to be popular since the grand age of Hollywood Glamour. The wrought iron rings that support the swags are finished in pearlized white before being painstakingly wrapped in white paper twine. The paleness of both the finish and the twine tease out the lightest shades in the delicate shells. Recommended Dimmers: TRIAC, ELV or 0-10VAdjustable Height: 65 inch to 156.5 inchChain: 8' Pearlized WhiteCanopy: 2.5 inch h x 8 inch dia.Sloped Ceiling Compatible: No

Shown in natural / white

Specifications
