Osbert Pendant

By Currey & Company

Description

With a profile that looks like the moon nestled in a cocoon, the Osbert Black Pendant is made when black Kraft paper twine is looped around graduating sizes of thin rings. The artful way the string is layered takes great effort, and the darkness of the string complements the satin black finish on the metal. The mysterious feel of the white glass globe that sits within it is a powerful design detail.Adjustable Height: 28.75 inch to 99.5 inchChain: 6' Satin BlackCanopy: 1 inch h x 6 inch dia.Sloped Ceiling Compatible: Yes

Shown in satin black / white
