## Alma Table Lamp By Original BTC

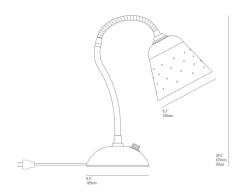

## Description

The Alma Table Lamp features a tapered bone china shade for a go-anywhere look that will complement a variety of decor styles. When illuminated, the shade produces a translucent glow, and it is accented by a series of handmade holes which evoke the look of tiny stars in the night sky. A flexible stem allows the light to be aimed precisely where it is needed for reading or other tasks. Dimmer switch located on lamp's base.

Shown in coral / white
