## Blossom Portable Table Lamp By Original BTC

### Description

The Blossom Table Lamp is a cordless, portable lamp that blends traditional craftsmanship with modern LED technology in a petite package. The fluted bone china shade is inspired by the natural form of the plum blossom, giving it a delicate aesthetic that will add an elegant touch to any interior. The lamp houses an integrated LED light source, rechargeable battery, and built-in dimmer, which allows it to be placed wherever it is needed to create the perfect ambiance. The dimmer can be set to three levels (100% / 66% / 33%), and the lamp can be recharged with a USB-C charging cord.
