Vertigo Pendant with Long Cord

By Petite Friture

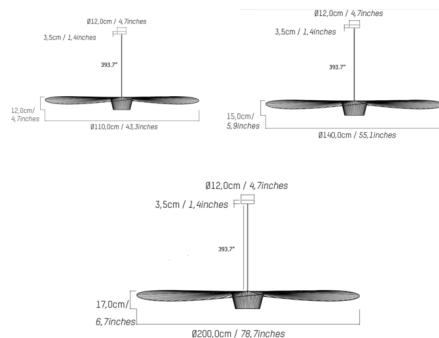

Description

The Vertigo Pendant is simultaneously ethereal and graphic, adapting to both large and small spaces where it creates its own intimate space. With its ultra light fiberglass structure, stretched with velvety polyurethane ribbons, this pendant lamp fascinates as it comes to life swaying in the soft air currents that surround it. This version of the pendant is supplied with an extra long 32 foot / 10 meter cord, making it perfect for large stairways, foyers, or lobbies.
