Harvick Linear Chandelier

By Quoizel

Description

Elevate your modern space with the Harvick Linear Chandelier. This striking fixture is designed to make a bold statement with its contemporary style and geometric silhouette. The integrated LED light source provides efficient and bright illumination, perfect for illuminating countertops, islands, or dining areas. For added versatility, the cord heights are adjustable, allowing you to customize the fixture's position to suit your space.

Shown in matte black / gold
