Outskirts Color-Select Ceiling Light

By Quoizel

DAMP

Description

The Outskirts Color-Select Ceiling Light is a versatile lighting fixture, ideal for a range of room applications. Featuring an integrated LED light source, Outskirts provides bright, efficient illumination. Offered with a white alabaster acrylic or clear textured acrylic shade. Additionally, it includes a three-way color temperature switch (3000K/4000K/5000K), allowing you to easily customize the color temperature to suit your preferred ambiance.

Shown in brushed gold / alabaster
