Boswell Outdoor Wall Light

By Quoizel

Description

The Boswell Outdoor Wall Light adds a touch of transitional style to your home's exterior. A unique feature is the heavily textured black accent piece that resembles stone, adding visual interest and dimension to the design. The clear tempered glass provides both simplicity and functionality, allowing the light to shine through while protecting the bulb from the elements. This weather-resistant lantern is a great way to illuminate your front porch, patio, or entryway in style.

Shown in matte black / clear
