Talbott Color-Select Bathroom Vanity Light By Quoizel

Description

The Talbott Color-Select Bathroom Vanity Light features a striking modern design with a sleek, minimalist aesthetic. The rectangular backplate contrasts with the series of parallel cylindrical acrylic rods, creating a unique and eye-catching visual. Each rod houses an integrated LED light for maximum light output and energy efficiency. This fixture also includes a three-way color temperature switch (3000K/4000K/5000K), allowing you to easily customize the brightness of the light to your desired setting. Can be mounted horizontally or vertically.

Shown in brushed gold / clear ribbed
