Hawes Bathroom Vanity Light

By Quoizel

DAMP

Description

The Hawes Bathroom Vanity Light features a clean, geometric design with a striking visual impact. The two cylindrical ribbed glass shades cast a soft, diffused glow while adding a touch of texture to the space. The light's slender metal backplate complements a range of modern and minimalist bathroom styles. Place Hawes vertically on either side of a vanity mirror or horizontally above a mirror - or use as a wall sconce in a variety of other settings.
