Huck Pendant

By Quoizel

Description

The Huck Pendant offers a traditional design with a twist, perfect for sleek interiors. The tapered frame is features unique ribbed detailing along the top that adds visual interest. Clear seedy glass panels complete the look and allow the natural beauty of the bulb to shine through, providing a warm and inviting glow. Whether hung individually or in a series, this pendant light is sure to enhance the ambiance of any space.

Shown in earth black / clear seedy
