Axford Semi Flush Ceiling Light

By Quoizel

DAMP

Description

Introducing the Axford Semi Flush Ceiling Light, where modern design meets natural charm. This collection features a distinctive rope shade that infuses warmth and texture into any space, while the sleek metal frame introduces an element of industrial chic. Choose from two elegant finishes: antique nickel with a black rope shade for a striking contrast, or matte black with a natural rope shade for a more earthy, sophisticated look.

Shown in matte black / natural rope
