# Grafton Ceiling Light

By Quoizel

DAMP

## Description

Introduce a touch of industrial sophistication to your space with the Grafton Ceiling Light. Its design exudes a rugged charm, perfect for adding character to classic and industrial-themed interiors. The Grafton ceiling light is available in two striking finishes: antique nickel for a weathered look, or weathered brass for a touch of vintage elegance. Both options are complemented by opal etched glass, which provides a soft, diffused light that enhances the ambiance of any room.

Shown in weathered brass / opal etched
