Beat Unbeaten Table Lamp

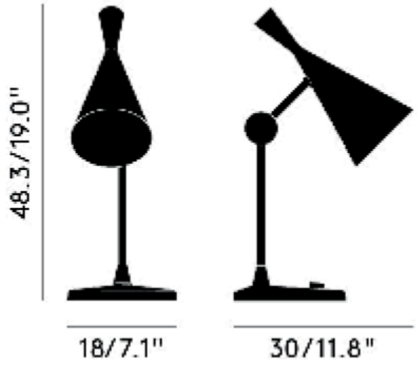

By Tom Dixon

Description

The Beat Unbeaten Table Lamp is an evolution of Tom Dixon's iconic Beat collection. While it retains the silhouette inspired by traditional Indian cookware and water vessels of the original collection, the Beat Unbeaten features a shade made of hand-spun and hand-brushed aluminum for a sleeker, more modern look. A slim, hinged stem atop a round base allows the shade to be tilted for reading other tasks. Inline dimmer switch on cord.

Shown in aluminum / black

Specifications
