Endymion Chandelier

By Currey & Company

Description

Perfectly pear-shaped, the Endymion Chandelier has a wire cage made of wrought iron in an aged steel finish from which undulant leaves in a brass finish flow upwards. The narrowing metal ornamentations reflect the light that glows from within a central white glass globe. Creating fluid designs from resolute metal to bring the feel of nature indoors is a fascination our designers continue to explore.Adjustable Height: 38.5 inch to 106.5 inchChain: 6' Aged SteelCanopy: 1 inch h x 6 inch dia.Sloped Ceiling Compatible: Yes

Shown in aged steel / brass
