Aventine Chandelier

By Currey & Company

Description

The Aventine Chandelier is a layered design with pretty leaves in a mix of finishes. The exterior of both rows are in a gesso white finish, while the backs of the inner ring are in a contemporary gold finish for a beautiful contrast. The gold leaves also warm the illumination from the integrated LED strips that sit between the rows. Recommended Dimmers: TRIAC, ELV or 0-10V

Shown in gold / white
