# Tiptur Semi Flush Ceiling Light

By Currey & Company

## Description

A tremendous amount of effort goes into creating the Tiptur Semi-Flush Mount, as the coconut shells are cut, bleached, drilled, and pinned to the frame by hand to form its orb shape. Tied to thin ribs of wrought iron in a coco cream finish, the color of the shells blends beautifully with the metal to create a veritable work of art.

Shown in cream / natural

**Specifications**
