## Agave Chandelier By Currey and Company

## Description

The Agave White Chandelier was inspired by the flourishing plant of the same name, whose spiky, leathery fronds curl up from the ground. This sense of movement has been captured in the flowing spikes on this white chandelier. My love of the Agave plant, of which hundreds of varieties flourish in the peninsula, has inspired me for many years, says the fixture's designer Marjorie Skouras. Her passion for the Yucatan shines through in this wrought iron creation covered in a crisp gesso white finish.
