Lever Passage Door Handle Set - Linear Pattern

By Buster + Punch

Description

The Linear Door Handle Set features elegant linear-knurl detailing and a laser-etched Buster + Punch insignia. Intended for interior doors. Includes two handles and a 2-3/8 backset US passage tubular latch with through bolt fixings. Available with or without a privacy lock. Welders Black: Made from Stainless Steel with a durable Black PVD coating. This is a deep off-black finish. Brass: Made from precision-machined solid brass and finished with two layers of durable satin lacquer. This finish will age slowly, moving from radiant brass to deeper and golden within a few years. Gun Metal: Made from Stainless Steel and then finished with Gun Metal PVD. Will stay the same for years to come. Easy to clean. Steel: Made from solid stainless steel and refined by hand. Steel is Buster + Punch's most durable finish and will remain the same for years to come.

Shown in welders black

Fits door thickness 1-3/8" - 2" fittings supplied.
2-1/8" diameter - standard bore.
Includes a passage tubular latch with 2-3/8" backset.
