Jasper Indoor/Outdoor Empire Pendant

By Capital Lighting

DAMP

Description

The Jasper Indoor/Outdoor Pendant blends refined style with long-lasting performance. Crafted with weather-resistant, hand-wrapped resin, it introduces an organic, textural element that adds depth and visual interest. The matte black finish provides a sleek, contemporary contrast, making it a versatile statement piece for both interior and exterior settings. Its open, woven form allows light to filter through softly, creating a warm, ambient glow ideal for patios, entryways, or dining areas. Damp location rated for covered outdoor applications.

Shown in black / sienna
