Lex Pendant

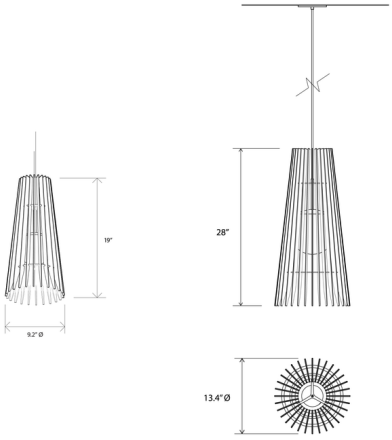

By Cerno

Description

The Lex Pendant takes its name from the Latin word for law, principle, or a condition, as a nod to the basic architectural principles that influenced its design. Lex is composed of a globe diffuser surrounded by flared, vertical wooden slats for a look that is simultaneously solid and ethereal. The integrated LED options are ELV, TRIAC, or 0-10V dimmable at 120V, or 0-10V dimmable at 277V.

Shown in black / dark stained walnut
