Kiki Round Canopy

By Contardi

Description

The Kiki Round Canopy is a multi-port canopy for suspending multiple Kiki Pendants (those that do not include a canopy), sold separately. They can be hung at varying heights to create unique compositions from neat patterns such as spirals to more dramatically staggered dynamic arrangements. The white lacquered finish can be painted over to match your space. Note: This is a canopy only. The pendant lights and cables pictured are not included.

Shown in matte white lacquered / satin opal
