Lorette Round Dining Table

By Fermob

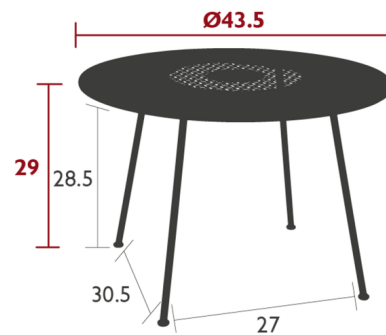

Description

The Lorette Round Dining Table is highly distinctive, embodying the Fermob spirit with a very strong graphic ambition and a mastery of metalwork that only Fermob possesses. For this round table, the interplay of patterns provides an elegant table runner for meals in the garden. Frederic Sofia has worked to perfection on the lines of this table to make it into a designer object. Classic or modern, or no doubt both at the same time. Steel frame, Perforated, laser-cut steel sheet table top, One-piece pads. Not recommended for use near salt air conditions and chlorinated pools.
