Calvi Square Dining Table

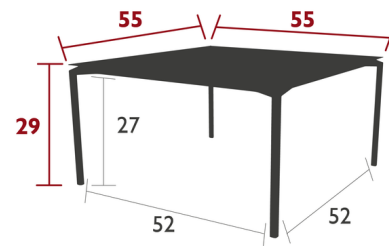

By Fermob

Description

This piece showcases the full extent of Fermob's know-how in outdoor furniture: the interplay between technical qualities and eye-catching design, the innovative yet uncomplicated and appealing build quality, and the adjustable pads that keep the table stable on uneven surfaces. Its aluminium design means the Calvi table can withstand the harshest weather conditions and intensive use, even by the sea. The 55 x 55 inch size means that this table can seat eight guests: perfect for a friendly meal with family or friends. A contemporary look that blends in with all terraces and styles. Calvi is equally at home indoors or outdoors, whatever the season. UV- and weather-resistant design: 100% aluminium (IPAC 10) and polyester powder coating, Sturdy, high-tech design: injected aluminium corners, .25 inch-thick table top, ingenious assembly for the legs, no visible screws, Easy to use: height-adjustable pads for uneven surfaces, Indoor and outdoor use, Made in France
