Luxembourg Lounge Armchair Set of 2 By Fermob

Description

Like the Luxembourg Lounge Chair, the
Luxembourg Lounge Armchair features a wider
seat than other pieces in the collection. While it
doesn't lean as far back as the Low Chair, the
back is tilted just enough to combine
comfortability with functional versatility. The
Lounge Armchair features ergonomic arm rests
and is an excellent addition to outdoor living
spaces, as its light, aluminum construction allows
it to be moved and stacked with ease. Tubular
aluminum frame, Curved aluminum slats seat,
Curved aluminum slats backrest, Aluminum slat
armrests, Silencing foot protectors, Stacking: x 6
(Height - stacked : 40 in.)
