Deco Yakitori Pendant

By Ferroluce

Description

Inspired by the cheerful, bustling energy of a street food stall, the Deco Yakitori Pendant features a playful ceramic shape that seem to be skewered on a large stick. Designed in various color combinations, the shades are attached to a contrasting-colored metal bar, providing the necessary structural shape. Perfect for a kitchen counter, work desk, or anywhere you need to add a colorful pop of illumination. Note: Canopy finish matches finish of large shade.
