Cirrus Hub & Spoke Linear Ceiling / Wall Sconce By Hammerton Studio

Description

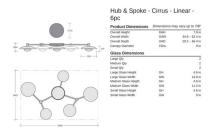

The Cirrus Hub & Spoke Linear Ceiling / Wall Sconce is inspired by the elegance of cloud filled skies, bringing both a whimsical look with a sophisticated vibe to your room. The metal frame holds a fusion of textured kiln-fused glass and cast crystal glass that casts warm shadows of light across your room. You can adjust the overall length from 34.8 inches to 62.4 inches and the overall depth from 29.2 inches to 48.4 inches. Dimmable with Triac or LV Electronic dimmers. All Hammerton Studio fixtures are handcrafted by artisans. Subtle imperfections reflect the mark of the maker and should be expected.
