Clouds Mobile Pendant

By Hubbardton Forge

Description

The Clouds Mobile Pendant brings a clean, simple beauty to your interior space. Each steel stem holds an intricate sphere that looks to have been pressed on top and bottom to form this unique and delicate cloud shape. The unique pattern in the glass glows warm light from within, and casts soft shadows in your room. Each individual Cloud pendant can be easily staggered in height to customize your installation. Choose a finish for the fixture and the canopy faceplate. The upper canopy can will always be black. Lifetime Limited Warranty when installed in residential setting. Handmade to order by skilled artisans in Vermont, USA.
