Clouds Low Voltage Pendant

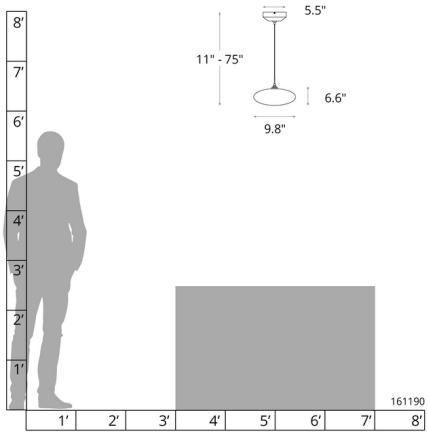

By Hubbardton Forge

Description

The Clouds Low Voltage Pendant brings a clean, simple beauty to your interior space. The steel stem holds an intricate sphere that looks to have been pressed on top and bottom to form this unique and delicate shape. The unique pattern in the glass glows warm light from within, and casts soft shadows in your room.Sloped ceiling adaptable to 45 degrees. Lifetime Limited Warranty when installed in residential setting. Handmade to order by skilled artisans in Vermont, USA.

Shown in sterling / shell glass
