Crown Point 6LT Multi Light Pendant

By Innovations Lighting

Description

The organic teardrop shape of the Crown Point Tiered Pendant is artfully hung from a tiered metal frame that is complemented by a single filament bulb. These pendants look great as individual fixtures but make a grand statement when paired with our multi-port hanging system as part of our custom cord program. Adjust each pendant cable to create your own unique look. Note: Not all options are available.

Shown in matte black / seedy
