Bridal Veil 518 Swivel Wall Sconce

By Innovations Lighting

Description

A truly dynamic fixture, the Bridal Veil Swivel Wall Sconce fits seamlessly amidst most decor styles. The process of handblowing the glass shade makes each product unique and creates an artisanal look. The arm swivels side to side at the base and the solid brass 180 degree adjustable swivel at the top of the socket has internal teeth that lock in at 5 degree intervals and allows for up and down tilting of the shade. Its sleek design and vast offering of finishes and shade options makes the Ballston an easy choice for all homes. On/Off rocker switch located on backplate.
