Cobra Table Lamp

By Jamie Young Company

Description

With a nod to the deadly grace of its namesake, the Cobra Table Lamp abstracts a natural form into striking elegance. The sculptural base swoops upward, directing the eye along dramatic curves, all the way to a white linen shade floating serenely above. Formed of ricestone, a material that combines natural quartz crystal with resin, this lamp exudes refined beauty. 3-way switch on socket.

Shown in white / white
