## Agnes Table Lamp

By Jamie Young Company

### Description

The Agnes Table Lamp is a fresh and stylish update to a traditional form. Featuring softly undulating curves, the gourd-shaped base is crafted from hand-blown glass. The color varies in depth to create soft, light medium and deep tones, enhanced with a complementary linen shade with warm brass hardware. A crystal-clear acrylic finial and base add a glamorous touch. 3-way switch on socket.

Shown in celadon / white linen
