Magnolia Chandelier

By Jamie Young Company

Description

The Magnolia Chandelier is a showstopping work of art for your interior space. A fresh take on a vintage style, composed entirely of artisan crafted petals of glass, no two petals are exactly alike. Warm shadows of light surround your room. The fixture is suspended by a chain of antiqued brass and a coordinating brass canopy.Note: Due to the weight of this fixture, additional ceiling support is required.

Shown in brass / smoke
