Temperance Table Lamp

By Regina Andrew

Description

A uniquely ribbed pattern going from small to large ridges defines the Temperance Table Lamp. Like the sandy beaches of its namesake, Temperance is mottled with a beautiful matte texture atop its lush glaze. A natural brass neck supports a classic subtly tapered, natural linen shade topped with a natural brass ball finial. Place the Temperance in a relaxed living room, bedroom, or sitting area to support a feeling of calm in the home. Three way switch is located on the lamp socket.
