## Vest Swing Wall Sconce By Regina Andrew

## Description

With its conical shape and two-tone finish, the Vest Swing Wall Sconce has clean lines and is buttoned-up, much like a well-tailored tuxedo. Its swing arm allows you to position the light for different tasks. The overlapping steel fixture has a sleek exterior and contrasting natural brass interior with details for a distinct mid-century modern vibe. Keyless dimmer switch on backplate.

Shown in natural brass / blackened brass
