Dina Plus Portable Table Lamp
By Rotaliana by Luminart

ETL

Description

Despite its traditional silhouette, the Dina Plus Portable Table Lamp features a uniquely modern design thanks to its integrated LED light source. The shade is made of polycarbonate and supported by a sleek aluminum stem for a light and airy look. A built-in rechargeable battery allows the lamp to be placed wherever it is needed to create the perfect ambiance, and a USB port provides a handy place for charging phones or other devices. Two interchangeable shades, one white and one clear, are included to customize the lamp's look. 4-Step touch dimmer button located on lamp's base.
