Dresscode Wall Light

By Rotaliana by Luminart

Description

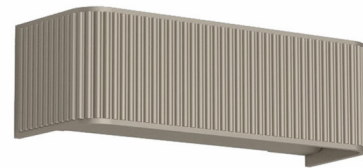

The Dresscode Wall Light is made of extruded aluminum with a ridged texture reminiscent of pleated and hemmed fabric for an elegant modern look. The sconce's open rectangular frame directs light symmetrically both upwards and downwards to provide warm ambient light. Dresscode's slim profile is perfectly suited to hallways and entryways. Note: Includes 4 inch square backplate to cover standard US junction box (not pictured).
