Eden Banana Floor Lamp By Rotaliana by Luminart

Description

The Eden Banana Floor Lamp features a leaf-shaped polyester fabric shade with a dual purpose. In addition to obscuring the LED light source to produce a pleasant indirect glow, the leaf is also filled with soft padding to help improve acoustic comfort by absorbing ambient noise and reverberations. Eden's acoustic properties and stylish design make it the perfect addition to an office or other commercial space. Dimmer button located on the back of the lamp.
