By Rotaliana by Luminart

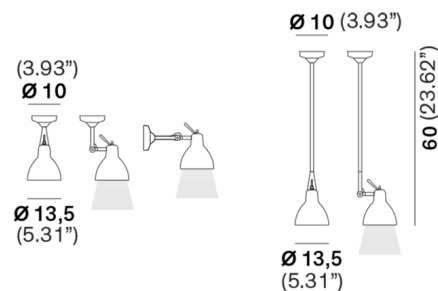

### Description

The Luxy Ceiling Light was created as the newest evolution of the classic task lamp design. The dome-shaped shade is made of etched or glossy painted glass to provide focused task lighting as well as a warm, translucent glow. The articulated frame allows the shade to be aimed for reading or other tasks. On/off switch located on top of shade. Includes 4 inch cover plate for mounting to standard US junction box. The small lamp may be mounted on the wall or ceiling; the large size may only be installed on the ceiling.
