Squiggle Floor Lamp

By Rotaliana by Luminart

Description

Inspired by Lucio Fontana's neon structure created for the 9th Triennale of Milan, the Squiggle Floor Lamp features a tubular shape that creates a line of light for a bold and graphic expression. The exterior of the lamp is covered with a geometric pattern of irregular hexagons, creating a unique visual texture. This lamp is designed to be leaned against the wall. Dimmer switch located on cord.
