Squiggle Windchime Pendant

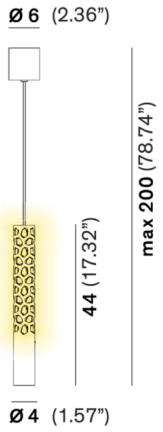

By Rotaliana by Luminart

Description

Inspired by Lucio Fontana's neon structure created for the 9th Triennale of Milan, the Squiggle Windchime Pendant features a tubular shape that creates a line of light for a bold and graphic expression. The exterior of the lamp is covered with a geometric pattern of irregular hexagons, creating a unique visual texture. Includes 4 inch canopy plate for mounting to standard 4 inch junction box.
