Seldon Wall Sconce

By Troy Lighting

Description

Crafted from natural Saguran Weave, the Seldon Wall Sconce adds a dose of textural interest to any space. Its minimalist design features two overlapping folded shades with softly curled, leaf-like edges. Seldon emits a warm, diffused light through its translucent shades and out from both ends. NOTE: Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
