## Ashton Wall Sconce By Troy Lighting

### Description

The beauty of the Ashton Wall Sconce stems from its simplified form and distinctive materiality. Woven from Saguran fabric, three cylindrical shades overlap to form areas that emit more or less light. This highly textural 2-light sconce is perfect for a bathroom or other small space as it creates a serene ambience. NOTE: Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.

Shown in vintage gold leaf / natural
