Forres Wall Sconce

By Troy Lighting

Description

The amorphous and organic silhouette of the Forres Wall Sconce is inspired by artist Chandler McLellan's hikes on the Moray coast over countless stones shaped and smoothed by the sea. Handcrafted from wood, this simplified wall washer conceals the light source while leaving an opening at the top for light to escape. The understated beauty of the minimalist form is well-suited to a small space. NOTE: Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.

Shown in patina brass / dark wood

Specifications
