Ronan Outdoor Wall Light

By Troy Lighting

Description

Adapting a modern, tapered racetrack design to an exterior sconce, the Ronan Outdoor Wall Light is an ellipse of style and substance. The elongated, rounded shape is accented by a thin, raised centerline, revealing a warm coppery undertone beneath the finish. The metal silhouette shields visibility of the canopy and LED strip, creating a warm wall wash that illuminates the dark nights. TRIAC and ELV dimming.

Shown in textured bronze / white
