Arnold Outdoor Wall Light

By Troy Lighting

Description

The Arnold Outdoor Wall Light reimagines a traditional lantern with graphic geometry and mixed metal finishes. The design includes a clean-lined frame and EPM ethylene and propylene encasing to resist fading and corrosion over time. The accents create striking focal points, from the candle reflector to the suspension loop. Arnold is crafted from an exclusive EPM material that can handle UV and salt exposure for years to come.

Shown in bronze / patina brass / clear
