Raphael Ceiling Light

By Troy Lighting

DAMP

Description

Crafted with a hand-knotted jute string technique, the designs of the Raphael Ceiling Light are like artful ornaments. Each fixture has a central cuff that cinches the conical shades, giving them their distinctive shapes. A hidden bulb radiates light through the gaps in the weave, creating a warm and welcoming glow. NOTE: Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
