Woodside Pendant

By Troy Lighting

Description

Elevating classic RLM design language, the Woodside Pendant incorporates natural materials and unexpected proportions. The conical shade has been woven from flat rattan, giving the piece a highly textural, organic quality. A large etched glass globe protrudes from beneath the shade, adding considered geometry to the composition. When lit, the rattan glows with a reddish-brown hue that feels warm and inviting. NOTE: Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
