Edric Pendant

By Troy Lighting

DAMP

Description

Entirely covered in layered coco shell discs, the Edric Pendant is a celebration of natural texture and color variance. The overlapping shell pieces form a voluminous, spherical shade, showcasing the variety of neutral tones. To complete the fixture without detracting from its beauty, Edric dangles from a classic chain.NOTE: Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.

Shown in vintage gold leaf / coco shell
